Let's face it, times are tough. You want to buy the perfect gift, but don't want to spend a whole lot of money. How about a personalized 2010 calendar?

For only the price of three latte's at the coffee shop, you can give us thirteen pictures and we'll make you a great calendar on quality, thick, glossy stock and shrink wrap.

We make great calendars (if we do say so ourselves) and imagine the possibilities! Does a friend have a special pet? How about a calendar that celebrates that kitty or pup all year long? Does Mom or Dad take pride in their gardening? Celebrate the garden in a calendar.

We recently made a calendar for a proud grammy of her first grandchild and she was so thrilled, she was beside herself. Another customer wanted a calendar of pictures taken at a family reunion and wanted Bible verses on all the pages. Done! Whatever you want to do, we can make it happen.

Let us make that special gift for you for less than the price of two packs of socks or that tie Dad received last year. In fact, our quality calendars are cheaper than all the major outlets out there. Check out our Vanity Calendars on our sales site and also see the bulk price discounts if you want to give that special calendar to many people.
